REPORT No. 24.

The Directors of the Channing Home submit the following Report for the year ending March 31, 1892.

The Home was first opened in Channing Street in May, 1857, by Miss Harriet Ryan (afterward Mrs. John Albee), and was removed in March, 1858, to No. 13 South Street. It was Miss Ryan's intention to establish a home rather than a hospital, for sick women, and it was her custom to admit chronic and incurable cases. In this respect the institution supplies a want in the community, not entirely filled by any other; and it will be the endeavor of the managers to carry out the plan which she so nobly started. Some of the patients have been inmates of the Home for years, and no pay is taken from any of them.

The present building, No. 30 McLean Street, was occupied by the Home on May 1, 1870, and is well adapted to the purpose. It is light and airy, and situated in a quiet and unpaved street. The position has some advantages of importance to the patients; and it is believed that they are more comfortable here than they would be in a larger establishment.

At the end of last year (March 31, 1891), there were fourteen patients in the Home. Since that time seven-

teen have been admitted, fourteen have died, and one has been discharged not relieved. The number now remaining is sixteen, of whom eleven are suffering from consumption, three from general debility, one from cardiac disease, and one from bronchitis.

The following tabular statement gives the diseases and the results of all cases treated in the Home since its establishment thirty-five years ago, though it does not include the present patients.
